SUMMARY

US Navy veteran transitioning into finance because of the fast-paced environment it offers. Thrives under pressure and has an interest in the stock market and its effects on the world. Adaptable to any unexpected needs.

Hardworking, personable, disciplined, and driven. Deep sense of responsibility and commitment due to military background.

EDUCATION

Bachelor of Science in Business Economics

Sep 2020 – Jun 2024

University of California, San Diego

Relevant Coursework:

Business Finance (March 2024), Financial Investments (June 2024)

EXPERIENCE

Express, Fashion Valley, San Diego

Sep 2018 – Mar 2019

Sales Associate

- Assisted about 50 customers a day with retail needs and balanced the cash register when closing.
- Recognized for being timely, consistent, and prepared to meet the needs of the firm.
- Thrived in a fast time environment and quick to help customers.

US NAVY, Yokosuka, Japan

Dec 2012 – Dec 2016

Maintenance Technician

- Performed annual maintenance on 4 critical pieces of equipment resulting in early project completion date.
- Supervised a crew of 12 in daily operations to include corrective maintenance, preventative maintenance, and material discrepancies, resulting in a 20% decrease of material discrepancies for the year.
- Trained and monitored over 12 workers in proper maintenance documentation resulting in a 30% increase in meeting deadlines and improved morale.

PROJECTS

Comprehensive Behavioral Study (Pending IRB approval)

- Seeing whether or not there was a difference between the comprehension levels between people who read a one-page excerpt vs. a one-page audio file transcribed from the one-page excerpt. Afterwards they would take a short quiz recalling the details of what they read/listened to.

STUDENT INVOLVEMENT

Member of the Undergraduate Economic Society

- I became part of the organization to grow my network and form a multitude of weak ties with like-minded students who were either of the same major or had similar interests.
